Prepare for AZ-204: Developing Solutions for Microsoft Azure

Jul 28, 2024

**Jayasmita Nayak**

has successfully completed the online, non-credit Professional Certificate

# Microsoft Azure Developer Associate (AZ-204)

An online program of eight non-credit courses authored by Coursera and offered through Coursera. This program provides intermediate-level knowledge of designing, building, testing, and maintaining cloud applications and services on Microsoft Azure. Learners who have completed this program should be able to partner with cloud solution architects, cloud DBAs, cloud administrators, and clients to implement end-to-end solutions in Microsoft Azure.
